Better.

Faster.

Cheaper.

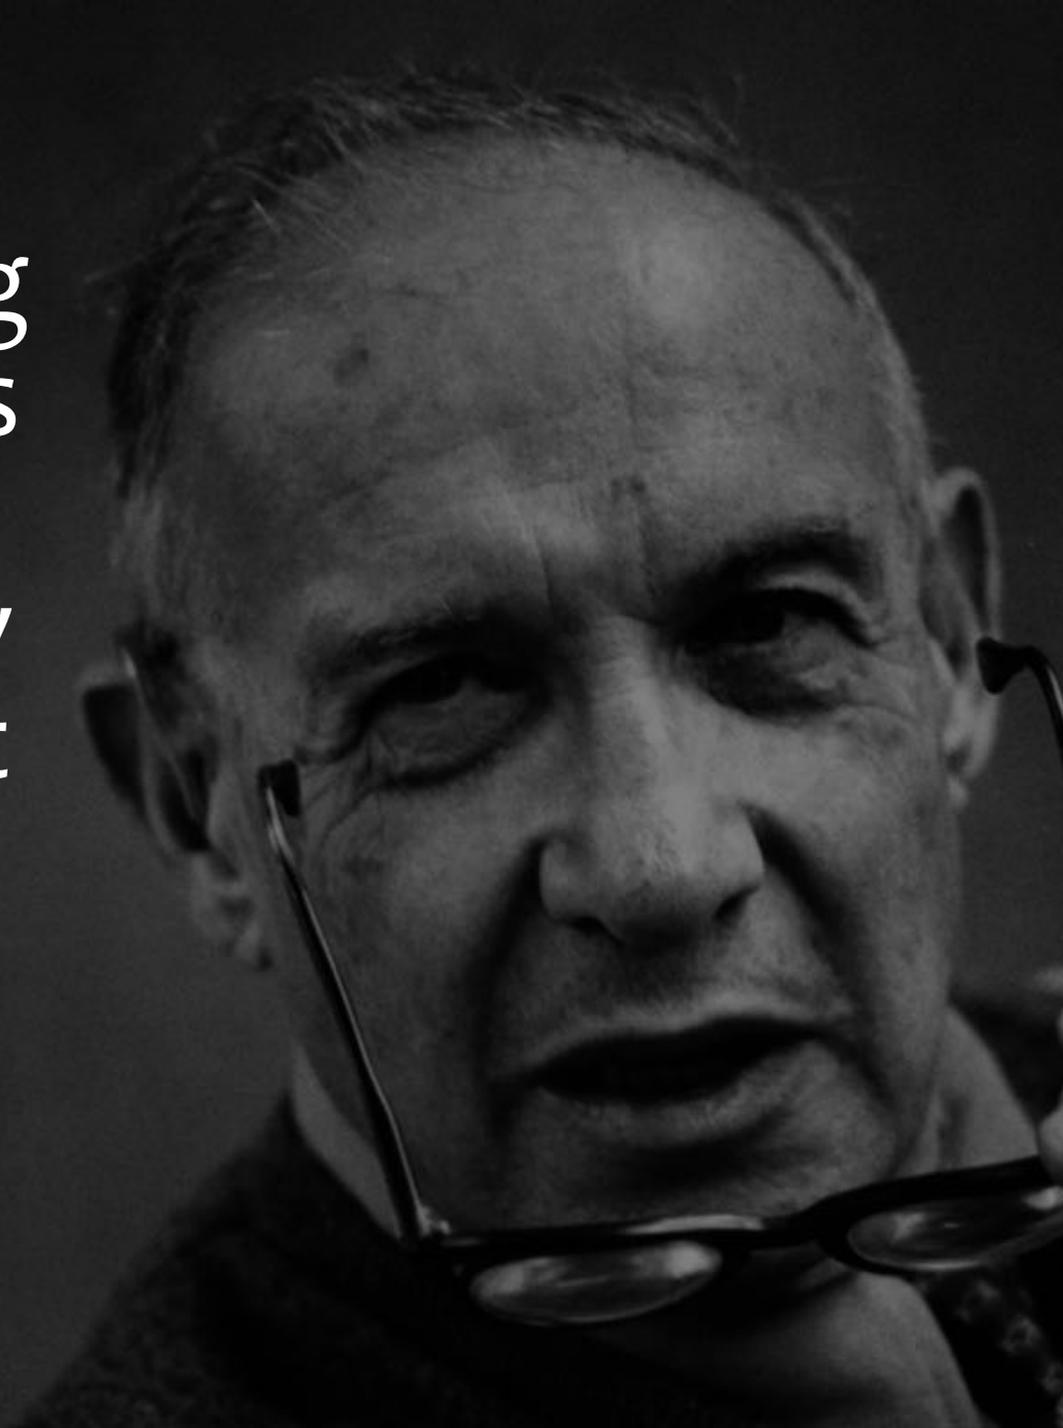

IT has spent 30 years  
teaching our business  
partners how to be  
bad customers.  
**We need to fix this.**

- Jeffrey Davidson

There is nothing quite so useless as doing with great efficiency something that should not be done at all.

- Peter Drucker

# How to be **Effective**

A photograph of a dirt path in a dense forest. The path starts as a single line in the foreground and splits into two paths that lead into the woods. The trees are tall and thin, with a thick canopy of green leaves. The ground is covered in grass and small plants. The overall scene is a lush, green forest.
